privately Designe us a mischeife) may make of their knowledge of our Strength maner of Inhabitting & Interest wth our neighbouring Indians. And that all possible meanes be used to prevent the settlem^t of of Any Northerne Nation of Indians amongst our friends more Especially of y^e Rikohogo's or Westos a people which formerly (when well used) made an attempt to Distroy us, and which because they Lost Severall of their Best men in the Repulse We may Expect will take the first opportunity offerd with wth advantage to take Revenge/ And all oppertunities to move and associate to themselves our ffreindly Indians to warr upon us= And the Mawhawkes are a numerous, warlike nation of Indians, and strictly aleyd to the Westos and have formerly Distroyed Severall English Inhabittants of New England. And must necessarily make warr upon the Savannas to make way for a Trade wth us and Consequently force us to Suffer Suffer for our friends to be Cutt off or Engage us in a Certaine warr, which before all things ought to be Industiously avoided. And we Cannot und^rstand that Ever the Savannos were obliged by o^r Govern^t not to warr upon y^e: Cheraques their Long before enimies, nor Cann finde Any good preceedents for makeing Laws ordinances or ord^{rs}= to Looke backwards. I shall not (Gentlemen) Decend to any particulars relateing to y^e bills now before you or und^r yo^r Consideration yo^r owne prudence and the care you have for the well fare of us all will be a sufficient Inducement for yo^r speedy dispatch and a happy conclusion of this present Meeteing/

Day of Septemb^r 1693// \mathfrak{P} Jn^o Hamilton—
Dep^{ty} Sec^{ty}//

London this 10th: of Aprill 1693//

We have seen an act past in Carolina Intituled an act to \mathfrak{P} vide Indifferent Jurymen in all causes Civill and Criminall which act Requireing the Sheriffe of each County to divide all y^e \mathfrak{P} sons of Each County into twelves & them write in pap^{rs} & two papers of twelve names each to be Drawne & y^e \mathfrak{P} sons whose names are therein Contained to be Sumon'd to Serve as Jury men y^e next Court after each Draught and then one of the s^d papers Drawne againe & y^e \mathfrak{P} sons whose names are written in y^e paper thus Last drawne to be the Jury for tryall of Causes we Judge to be very unreasonable &

many ways Dangerous & tending to the Leveing y^e most Enormus Crimes unpunisht Especially Pyracry for it will thereby be in the Power of the Sheriffe so to Divide the Twelves for each paper that there shall be in Every pap^r some notorious favorers of Pyrats who Coming prepared for it may be able to Constraine the Rest of the Jury to Consent to what verdict they please which being Contrary to their Majesties Service and Dangerous to the Peace Perhapps of England it Selfe: and the s^d act being in other things very Dangerous to y^e Inhabittants of our ꝑ^rvince & Contrary to the Laws of England as it is Declared in the bill of Rights passed in their present majesties. Reigne we have thought fitt to Dissent to and thereby have made the Same null and voyd and Do: req^r: you not to Suffer the Same to be putt in Execution as a Law in Carolina and that you Doe forthwth upon Rec^t hereof Give notice of o^r Dissent to y^e: s^d act to the Respective Sheriffes of the Countys there & that y^e s^d Laws is thereby vacated and Ceased to be a Law and that they are not to putt y^e: s^d Act in Execution as a Law any Longer/ Wee have allsoe seene an other Act Intituted an Act to Regulate Ellections of memb^{rs} of y^e Generall Assembly which act Enableing all ꝑ^rsons that make oath they are worth tenn pounds to Give there vote for Memb^{rs} of the assembly and all the Memb^{rs} of the Assembly for the p^rsent being chosen for the Counties we are of oppinion they ought all to be freehold^{rs} that Ellect and the s^d act not mentioning how Long any Person worth Tenn pounds: must have been an Inhabittant of the County before he be Admitted to vote for memb^{rs} of the Assembly it is soe Loose that by this act all the pyrats that were in the shipp that had been Plundring in the Redd Sea: had been Quallified to vote for Representatives in Carolina which being of Dangerous Consuquence to the Inhabittants Wee have Though fitt to Dissent: to that act allsoe but have Cherefully passed and und^r o^r hands & Seales Ratified & Confirmed the Act Intituled an act for the better observation of the Lords Day Comonly Called Sunday and are well pleased wth all those that Voted for itt and we hope that you will take Great Care the s^d act be strictly putt in Execution/ Wee have allsoe Ratified and Confirmed the Act Intituled an act to prevent Swine Goeing Loose or at Large in or about Charles Towne and to prevent nuisance and shall be allways Ready to Consent to any other act that we are Convinced is for the Good or Conveniency of the Inhabittants of o^r Province/ We have thought fitt to Send you additionall Instructions about passing Laws in Carolina which you are to Observe and wee doe Requier that you Ratifie mo Law that Diminisheth or altreth any of the Powers granted to us in o^r Charter from the Crowne but

when any such bill is past in the Generall assembly and Consented to by yo^rselves you are to Send the Same unto us for our Approbation and Consent before you Ratifie the Same our Intent & Meaneing being that Nothing of that Nature should be putt in Execution as a Law in Carolina untill we o^rselves have Consented to it The f^rench have Complained to us that they are threatned to have their Estates taken from their Children after their Death— because they are (alliens) now many of them have bought the Land they Injoy, of us and if their Estates are forfeited they Escheat to us and God forbid that we should take the Advantage of the forfeiture nor doe we Soe Intend and therefore have Sent o^r Declaracon und^r o^r hands and Seales to that purpose which wee will shall be Registered in the Secretaries and Registers office that it may Remaine upon Record in Carolina and be obligeing to o^r heires Successo^{rs} and Assignes They allsoe Complaine that they are Req^d to begin their Divine Worshipp at the Same time that the English doe, which is Inconvenient to them in Regard that Severall of their Congregation Liveing out of the Towne are forced to Come and Goe by water, And for y^e Conveniency of such they begin their Divine Worshipp Earlyer or Later as the tide serves in which we would have them not molested/ They Complaine allsoe y^t they are told the Marriages made by their ministers is not Lawfull because they are not ordained by some bishopp and their Children that are begotten in Such marriages are bastards: Wee have power by our pattent to Grant Liberty of Consience in Carolina and it is Granted by act of Parliamēt here and ~~Th~~sons are married here in the Dutch and french Churches by ministers that were never ordained and yett we have not heard that the Children begotten in such marriages are Reputed unlawfull or bastards and this seemes to us oposite to that liberty of Consience their majesties have Consented to here And Wee pursuant to the Power Granted to us have Granted in Carolina/ Wee Desier these things may be Remedied and that their Complaynt of all kinde be heard wth favor and that they have Equall Justice wth English men and Injoy the Same Privilidges: it being for their majesties Service to have as many of them as we can in Carolina, We would have them Receive all maner of Just Incouragement whatsoe^rer And We would have you Send for the Cheife of them and Give them Assureance of itt/ Wee finde that M^r Joshua Hobson Deputy to m^r Grimball in the Secretaries office did Suffer for the Refuseing to Submitt to the Usurped authority of m^r Sothell wherefore we are Willing that he should be Incouraged and would not have him hindred from pleading in the Co^rts there as well as Assisting him as his Deputy in the

Secretaries office, The which we doe in favor to the said Joshua Hobson as well as to Ease o^r Secretary who being to Send us Constant Coppys of all that passeth in the Councill and parliam^t there for which he hath no fees we would not have his Charge Augmented by forcing him to allow m^r Hobson A Greater Sallery to Incourage him to Continue his Deputy and this we would have Done Unless you Can Give us some very Substantiall Reason to the Contrary We observe in the act about Juries the fines of those Jury men that doe not Appear are appoynted to be paid to the Treasurer and to be disposed of as the Generall Assembly shall Direct Wee Doe not finde one president that the Parliam^t of England have Ever Reserved any money Either out of Taxes or forfeitures to be Disposed of by themselves and by our Grant from the Crowne the Laws of Carolina are to be as nere as may be Agreeable to the Laws of England wherefore we Desier you to be Cautious how you pass any such Laws for the future/ for we shall Consider very well before we pass any Such/ All Public mony in Carolina must be Disposed of by our ord^r or Consent/ And we allsoe Desier that in all acts: or other Publick writings you Give us the same stile, that is Given us by the Crowne in o^r Pattent of true and absolute Lords: w^{ch}: title Gives us no more power then the Pattent it selve doth nor doe we Claime more thereby/ Wee have Thought fitt to Appoynt m^r Thomas Smith to be Sheriffe or Cheife Judge of Berkley County by which Imployment we doe not und^rstand that he is Incapacitated to Serve as a Deputy but may Continue in that station alsoe We Comitt you to the Prohibition of allmighty God and Rest//
